

# HTM 71 Storage cabinets

**MedStor**<sup>®</sup>  
The heart of your storage solutions

Healthcare storage, logistics  
and product handling

Dental  
Medical  
Laboratory  
Pharmaceutical

# Specialist in product solutions

## EVERY STEP OF THE WAY:

Our leading healthcare representatives begin by assessing your current situation in terms of stock holdings, space utilisation and working practices. After consultation we will develop a tailored, individual plan based on our previous healthcare and customer experiences.

We offer a free site survey and planning service from our very own in-house team. Personalised layout plans and 3D visuals can be produced of your project including a fully itemised Medstor product listed quotation.

From a single room to a complete hospital, we work with you from start to finish for the full installation. Your project co-ordinator will liaise with you to make sure that products are delivered to your exact requirements.

Our CSCS qualified installation teams will ensure that your systems are fitted, cleaned and ready for use.

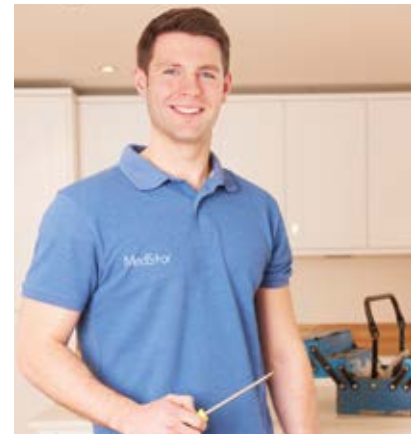

## WARRANTY STATEMENT.

The Medstor HTM 71 system cabinets have a 10 year warranty against manufacturer's defects in material and workmanship.

The Medstor containers and dividers are warranty covered dependent on the material specification and operating temperatures.

**ABS:** 10 years within the range minus 20°C to plus 70°C.

**Polycarbonate:** 15 years within the range of minus 40°C to plus 120°C.

# Environmental impact

## OUR COMMITMENT:

Healthcare - Stamford Products Limited are committed to minimising the environmental impact of our operations in a way, which protects and enhances the environment. The company will comply with all the relevant legislation and adhere to the principles of the prevention of pollution during design and operational performance as part of our business plans.

The EMS arrangements to reduce our overall environmental impact include the following :-

- Awareness and use of appropriate technology**
- Conservation of energy and reduce consumption of materials in our operations**
- Reuse rather than dispose**
- Encourage and promote recycling and the use of recycled and recyclable materials**
- Develop products to make efficient use of materials from sustainable sources**
- Establish targets and objectives to measure our improvements.**

# Accreditations

- |                      |   |
|----------------------|---|
| <b>ISO 3394:2012</b> | <b>Complete, filled transport packages and unit loads</b> |
| <b>ISO 9001:2008</b> | <b>Quality Management System</b>                          |
| <b>BS8555:2003</b>   | <b>Phase 1,2 and 3 Environmental Management System</b>    |
| <b>CHAS:</b>         | <b>Contractors Health and Safety Assessment Scheme</b>    |
| <b>BPF</b>           | <b>British Plastics Federation</b>                        |

# Storage protection

## LOGISTIC SYSTEM: TRAY AND DIVIDER STORAGE

Extremely strong, robust and lightweight the Medstor trays and dividers are above all designed to protect their contents.

High temperature washing machine compliant materials are used to help provide hygienic surfaces within your working environment.

Simple slot in reconfigurable dividers allow trays to be both length and width ways compartmentalised in seconds - providing a comfortable and safe fit for all supplies.

**COMPACT TRAY** - 400mm x 300mm

**EURO TRAY** - 600mm x 400mm

## POLYCARBONATE & ABS TRAYS

**AVAILABLE IN 50mm, 100mm & 200mm heights**

Our trays are acknowledged to be best in class

## CLEAR POLYCARBONATE TRAYS & DIVIDERS

With an operating temperature range -40°C to +120°C

## ABS TRAYS & DIVIDERS

With an operating temperature range -20°C to +60°C

## DIVIDERS

Available in short or long sizes to fit your requirements

## LABELLING

Credit card and half credit sized inserts and holders (See product identification)

## 'T' CLIP

Used with snappable dividers to support open end

**OPEN SIDES  
WITH SOLID BASE**

**OPEN SIDES  
AND OPEN BASE**

**SOLID SIDES  
AND SOLID BASE**

DESIGNED AND MANUFACTURED IN THE UK BY MEDSTOR

Giving us total system control and product continuity.

# Product identification

## NO FUSS SYSTEM AVAILABLE IN CREDIT CARD AND HALF CREDIT CARD SIZES

Possibly the most important aspect for effective materials management is the clearly recognisable identification of products.

The Medstor labelling system can be fitted neatly either landscape or portrait to both the front and tray dividers. Available in a selection of sizes and colour options.

**SMARTKANBAN WITH RFID**  
A materials management system with IT technologies and bar coding utilizes the Medstor labelling and high density storage system, offering the best platform for the implementation of Dual Bin stock control.

**Contact sales for additional information.**

## COMBINE WITH RFID DUAL BIN

For total control of all stock levels.

## HTM 71 cabinets

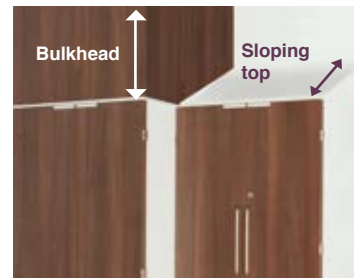

**RUNNERS AND ARRESTERS**  
Allowing the tray to tilt by 25°.

**TELESCOPIC RUNNERS**  
Utilise the strength of Medstor trays.

**45° DROP DOWN DRAWER**  
Smooth slide /tilt action making contents easily accessible.

**BULKHEAD OR SLOPING TOP**  
Increase hygiene and reduce cleaning.

**DESIGNED AND MANUFACTURED IN THE UK BY MEDSTOR**  
Giving us total system control and product continuity.

Constructed from high quality board these robust cabinets offer the optimum in space saving solutions. Fully fitted with the Medstor easy glide liners and arresters to eliminate accidental tray removal.

**FREE STANDING OR WALL FIXED**  
**AVAILABLE IN A SELECTION OF COLOURS**  
**FITTED WITH HIGH IMPACT CABINET LINERS**  
**SELECTION OF DOORS AND SECURITY OPTIONS**

**FREE PLANNING SERVICE**

To help develop your project big or small our talented in-house space planners can provide 2D and 3D visuals of the required project.

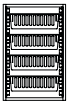

## Cabinets without doors

Open fronted cabinets provide direct access to trays saving time spent searching for stock.

**FITTED WITH HIGH IMPACT CABINET LINERS  
ELIMINATES STOCK OUTS  
EASY LOCATION OF GOODS**

# Security system

## ILOQ K10S ENCRYPTED SMART KEY

The iLOQ K10S is a battery-free electronic key fully copy-protected by SHA-1 encryption.

- Robust and durable - down to -40°C.
- Flexible storage and fast delivery.
- Access rights are programmed into the key.
- No need to program the locks.
- Access rights deleted upon key return.
- Key can be endlessly reused.
- Insertion of a new key can eliminate old key access rights.
- Keys cannot be copied.

## ILOQ S10 LOCKING MANAGEMENT SERVICE

The iLOQ S10 locking management service is easy-to-use software for managing iLOQ locks and keys.

- Definition and limiting of access rights.
- Blacklisting lost keys.
- Audit trail reporting.
- Decentralised site management.
- Operates 24/7 over the Internet under Software as a Service (SaaS) principle.
- Easy installation.
- Secure data storage and back-up.
- Automatic software updates.
- Up-to-date information at all times
